

ANFAL AL AMAIREH

PHARMACIST

ABOUT ME

Motivated and newly graduated pharmacist seeking a rewarding position in a private hospital where I can utilize my strong educational background, passion for staying updated with scientific news, proficiency in computer skills, and two years of training in community pharmacy to provide exceptional pharmaceutical care and contribute to patient well-being.

EDUCATION

- University of Mutah (BPharm)
Relevant coursework:
Pharmacology, Pharmaceutical Chemistry, Pharmacy Practice, Pharmacotherapy, Pharmaceutical Microbiology, Pharmaceutical Biotechnology, Clinical Pharmacy, Pharmaceutical Analysis

CERTIFICATIONS & WORKSHOP

- Pharmaskills Bootcamp, Label, October, 2023
- COVID-19 pandemic rearranges the scientific research priorities, February, 2021
- Workshop Antibiotics and Antimicrobial stewardship, December, 2020

SKILLS

- Comprehensive understanding of pharmaceutical principles, including medication dispensing, dosage calculations, and drug interactions
- Strong knowledge of pharmacotherapy and disease management protocols
- Effective communication skills for interacting with patients, healthcare professionals, and colleagues
- Proficient in computer skills, including MS Office Suite, pharmacy software, and data management systems
- Familiarity with insurance procedures and claims processing in a community pharmacy setting
- Detail-oriented with a commitment to accuracy and patient safety
- Ability to work collaboratively in a multidisciplinary healthcare team and adapt to fast-paced environments

WORK EXPERIENCE

- Community Pharmacy Intern
- Dispensed medications accurately and counseled patients on proper usage, side effects, and adherence
- Processed insurance claims and resolved insurance-related issues for patients
- Collaborated with pharmacists and other healthcare professionals to ensure optimal patient care and medication management

LANGUAGES

 Fluent in English and Arabic
