Professional Experience

Omar Al-Mukhtar School

Position: Primary School Teacher (2016 - 2018)

- Taught core subjects such as Mathematics, Arabic, and Science to third-grade students.
- Focused on integrating students with special needs into the classroom through group activities designed to promote inclusiveness and empathy.
- Developed innovative teaching methods to enhance communication and collaboration skills among students.
- Assisted students with disabilities in adapting to their classroom environment through individualized support and inclusion strategies.

Ibn Sina School

Position: Special Needs Education Coordinator (2019 - 2020)

- Supervised and implemented modern teaching methods aimed at improving student engagement and learning outcomes.
- Worked closely with children with special needs to ensure they received tailored educational support, focusing on individualized learning plans.
- Evaluated and improved teaching tools to better serve students with learning and physical disabilities, ensuring a more accessible and effective learning environment.
- Collaborated with teachers to develop and integrate adaptive teaching strategies to meet the diverse needs of students.

Baneen Special Needs Center

Position: Psychological Counseling Trainer (2020 - 2021)

- Delivered training sessions in psychological counseling to support children at risk of discrimination and bullying, helping them to develop resilience and self-esteem.
- Focused on children with physical disabilities, offering targeted support to improve their emotional well-being and integration with peers.

- Helped students build confidence and understand their value and capabilities, encouraging them to actively participate in their community despite their physical limitations.
 - Designed and implemented therapeutic activities aimed at enhancing children's social skills and psychological well-being.
-

Education

Bachelor's Degree in Education (Classroom Teacher Division)

Graduated from Aleppo University in 2010
