PROFILE

I graduated from Al Yarmouk University with a Bachelor's degree in Radio & TV. I have participated in university events such as workshops on content writing and language proofreading. I am skilled in content writing, language proofreading, news editing, rewriting, video editing, filming, reporting, voiceover, attention to detail, and managing interviews.

Graduation project:

Title: *Short Dramatic Film on Childhood Traumas*

Created a short film about how childhood traumas can affect a person's life. The film shows how important childhood is and how it can shape a person's future. It follows a person's life from childhood to adulthood, showing the problems and events they faced and how these experiences affected them. The film highlights the need for psychological treatment.
