Dear Sir,

I am Mohammad Ibrahim Ahmad Aldiey; I have graduated from Prince Faisal technical college, marka-Jordan, with a diploma in supply.

Actually, this field of specialization gave me a lot of experiences and new skills, and let me discover more and more about the supply ways, also, improved my personality for the best, and improved my abilities to be good in all this field matters.

Dear Sir,

Computer and the internet became a new language between the new modern societies; so I took many courses in this field.

Finally, I am willing to join your team. I am enthusiastic, organized, Ambitious, responsible, adaptable, patient, loyal and friendly.

Thank you for your consideration...  
**Mohammad Ibrahim Ahmad Aldiey.**
