Abu Naseer, Amman city, Jordan 972597461801+ - hananalsaad033@gmail.com

TEACHING ASSISTANT

A passionate teacher who loves continuous development, participating in scientific seminars and conferences, and working on case studies and research. I have one year of experience in university education, giving lectures to students, and doing all academic assignments actively and following up. I aspire to enhance the quality of education provided to students and create interactive and cooperative models with educational bodies and institutions to facilitate education and develop students' skills in a more cultural and professional manner.
